

## Focused on finding talent.

In today's Medical environment, it is important to find the best fit for the job. Our experienced staff comes from the industry and understands the technologies, markets and issues. Our strength is in finding top candidates that understand the specific medical technologies, processes and applications to make them successful in your organization. From surgical devices to medical packaging, research and development to sales, The Chatham Group has partnered with many Medical Product Companies. Whether our clients are Fortune-500 companies, or smaller companies, our focus has always been on providing our clients with the best possible talent to get the job done.
